

Quad City Volleyball Factory - Home of Iowa Select Volleyball Club **2060 W River Drive, Davenport, IA, 52802**

Welcome to the Quad City Volleyball Factory in Davenport, Iowa. All of us here at Iowa Select Volleyball Club are excited to host you and your families to a full day of high quality volleyball. We can't wait for you to see our new volleyball specific facility in downtown Davenport. The Volleyball Factory sits near the beautiful Mississippi River and down the street from an ever-growing downtown area that has terrific food and entertainment.

Facility Notes

- The Volleyball Factory sits on the back lot. To get behind the storage buildings that sit in the front, please drive around the left side of the building to access our parking lot (the building in the front is currently being renovated into an indoor self-storage company, opening up in April 2019). **It is imperative that all vehicles are parked in a parking spot.** There are clearly marked areas where we DO NOT allow parking. Specifically, in the driveway that connects the front and back parking lots. For emergency vehicle access, we cannot have cars parked there. Violators will be subject to tow. All available parking spots are clearly marked as well as handicap parking spots for those needing closer access to our front doors. Overflow parking is available in the front lot that houses the storage buildings. There are 84 spots in the back and another 50+ in the front. Please make sure to use the marked parking spots in the front lot as well to allow the flow of traffic in and out of the facility. Please see the attached parking map attached with this email to get a visual idea of where parking availability is at.
- Spectators, please make sure to use the corridor to travel to and from the volleyball viewing area and the concession/restroom area. It is designed to not interrupt other matches. Spectator viewing areas are limited to the orange floor tiled areas. This helps maintain a clean, dry floor for the players.
- There will be a \$5 Adult & \$3 Child/Senior spectator/admission fee. There are **NO COOLERS, OUTSIDE CHAIRS, or FOOD** permitted in the facility. We will ask those families to throw outside food away and/or leave the facility. We will have a full concession stand available for the whole day with a number of healthy options for both the breakfast and lunch timeframes.

Match & Tournament Protocol

- There will be a ten-minute warm up (2 - 4 - 4) for every team's first match. After that we will move on to a (1-3-3) warm-up. Game times are approximate, we will play ahead as much as possible.
- Pool play will be played 2 sets to 25 points starting at 0-0, win by two points, no cap. A coin toss will determine serve for each match. The team serving first after the initial warm up, will have the first 4 min warm up followed by the receiving team.

- All teams will advance to tournament play. For tournament seeding we will follow the general guidelines if tied: Head to head, head to head points, overall points, coin toss. Tournament play will be played best 2 out of 3 score starting at 0-0, win by two points, no cap. Tiebreaker set will be played to 15, win by 2, no cap.
- Bring marked balls for warm ups and use them in the GYM ONLY. Please provide whistle for your team. There are no locker rooms and no athletic trainer on site.
- Coaches please remain in the gym when your team is refereeing. Coaches please stand by your players to teach good officiating and answer any questions they may have during a match. For a 14U and younger teams an adult will need to sit and doing one of the jobs at the score table per USAV guidelines. Please provide an adult official for up ref during tournament play.
