There is no limit on spectators. We are requiring all spectators, coaches, and players to wear masks. Players may remove them while they are playing in a match, but must have them on as soon as they come off the court. All players on the bench must be wearing masks.

Coach information: Please bring a current roster, warm up volleyballs, hand sanitizer, and pens/pencils for scorekeeping.

Please be prepared to play ahead after your first match of the day. The online schedule will show 50 minutes for each match, but matches may not take that long. Please tell your players and their spectators we will play ahead of schedule.

Warmups: Each team's first warm-up of the tournament will be 10 minutes (2 minutes ball handling, 4 minutes hitting for serving team, 4 minutes hitting for receiving team). After the second match of the day, there will be 6 minute warm-ups (3 minutes serving team, 3 minutes receiving team).

Pool Play: Four team pools will play two sets to 25 points, score starting at 4-4 (no third set). Teams will stay on the same side of the net for the duration of the match. First and second place teams from each pool will advance to the gold bracket. Third and fourth place teams will advance to the silver bracket. If two teams are tied in record, the head to head match result will break the tie. If they split, it will go by points. Then, positioning in brackets will be determined by: set win/loss record, set percentage, and point percentage.

Gold and Silver Bracket Play: Tournament play will start immediately following pool play. All matches will be best two out of three sets to 25 points, score starting at 0-0. The third set, if needed, is to 15 points, score starting at 0-0. Teams will stay on the same side of the net for the duration of the match. **ADULTS MUST UP REF ALL BRACKET PLAY MATCHES.**
