

Dear Team Representative and Coaches,

Welcome to the 2026 Adrenaline tournament series, our playing site is 3055 Robins Road, Hiawatha, IA 52233 or also called the Iowa Sports Center. The overflow parking can be used at Climate Engineers next door but please do NOT park across the street at the Black Magic Diesel shop as they will have you towed.

We will be using tm2sign for scheduling this year as suggested by the region. Here is the link for parents to bookmark and keep an eye on during the day. There will be no wall charts or paper copies. The link can be found here: [TM2](#)

The format for 5 team pools is round robin with 4 matches guaranteed and the winner will be best overall record, then head-to-head winner, then point percentage. All matches will be 2 sets to 25 starting at 4. Everything I have just described is in the USAV Tie Breakers and procedures which will also be used if necessary. Please check your schedule for the match start time of your pool. You will have 10 minutes to warm up before your 1st match of the day (2 minutes shared ball handling, 4 minutes for serving team, 4 minutes for receiving team). After that, there will be 6 minutes between matches (3 minutes for serving team, 3 minutes for receiving team). The serving team always has the net first, and we will play ahead as much as possible, please get warmups going then talk to your team, 6 minutes is plenty of time to address anything that just happened or is going to happen. We have a long history of being done and cleaned up by 4 and this has a lot to do with it, we need your help to get done and get you on the road after play is completed.

There will be an \$9 admission charge for spectators, that is Cash or Venmo only, the concession stand is now able to take cards. Please help us keep our tourney costs as one of the cheapest in the state and keep outside food outside and support the concession stand, you are allowed to bring things in but please keep it to a minimum and pick up after yourselves.
