

Dear Team Representative and Coaches,

Welcome to the Six Pack Invitational Tournament on Jan 7 & 8. The tournament site is on the campus of the University of Northern Iowa (UNI). The Wellness & Recreation Center (WRC) on the corner of Hudson Rd & 22nd Street is the building adjacent to the UNI-Dome to the north.

The following site will help with directions: <http://www.uni.edu/infosys/campusmap/> (Zoom in/out)

The format will depend on number of teams in your division. We will guarantee each team 4 matches. Please check the tournament schedule for the particulars relating to your division. We will be using the USAV Tie Breakers. **Reminder positioning in championship or consolation can be determined by point percentage, but teams WILL NOT be sent home based on point percentage.**

Please check your schedule for the match start time of your pool. You will have 10 minutes to warm up before your 1st match of the day (2 minutes shared ball handling, 4 minutes for serving team, 4 minutes for receiving team). After that, there will be 6 minutes between matches (3 minutes for serving team, 3 minutes for receiving team). **IF YOU ARE THE OFFICIATING TEAM FOR THE NEXT MATCH, BE PROMPT IN STARTING WARM-UPS FOR THE MATCH!** Timers will be provided for the officiating teams this year to make sure warm-ups don't run too long.

There will be a \$2 admission charge for spectators. No coolers or plug in appliances allowed. Concessions are available with plenty of healthy options. We ask you to inform your parents of team camp rules as we know they are the ones providing their daughters with the team camps.

We are guests and lucky to be able to use these fine facilities, please clean up at the end of the day. Anyone with a cooler in the gym will be asked to leave the facility.

We will be at the tournament site at 7:00 AM to begin checking in teams. Line-up sheets will be passed out to each team during check in. We have more than 40 teams participating, so please show up promptly to take care of those administrative duties.

If you have any questions, or would like to discuss this further, please feel free to contact me.

Thanks and Good Luck!!
