WARM-UPS

Each team's first warm-up of the tournament will be 10 min. (in the 2:4:4 format per Iowa Volleyball rules). Subsequent matches will have 6 min. warm-ups between matches. Also per Iowa Volleyball rules, there is no shared warm-up and no ball handling while your opponent is warming up. Teams should warm-up on the court areas only. There will be no warming up in any of the hallways. Coaches, please do not give the girls the balls until you are on the court. All teams need to bring their own balls for warm-up.

COURTS

There will be bleacher seating available. **Please**, be mindful when walking in/ out of the gym as to not disturb the players while serving. In regards to the basketball hoops at each end, if the ball is headed in a “line-drive” direction into the basket at any angle it would be called out. If the ball is floating or descending on the basket or backboard that would have been otherwise playable, you would “replay” that point.

WORK TEAMS

Teams should not have cell phones out when officiating & scorekeeping. We will use a manual flip scoreboard for points and stop watch for warm-up time. **Per Iowa Region rules this year**, for 16u and younger, teams must have a USAV registered adult (who has attended a scorekeeping clinic) working at the scorer’s table as the Scorekeeper or assistant scorekeeper for every match. **Junior Teams must have at least 1 certified adult referee.** It is **mandatory to have an adult official as the first referee on all playoff matches, UNLESS** both teams agree to have a junior referee. In pool play matches teams may have a junior as first referee, but an adult must either be the second referee or be behind the first referee with a whistle (taking an active part in the match).
